

OPEN HOUSE!

We would like to invite you to visit
Jacobsen Landscape Design and Construction
on **Friday, January 13, 2012**
for our Open House. We will provide lunch
and have a meet and greet of our management,
supervisors at 12:00 pm. After that we will take you on
a tour of our other facilities and some of our job sites.
This will be a great way for you to get to know more
about us and our company. For more info,
email Peggy at peggy@jacobsenlandscape.com
Or call 201-891-1199.

Internship

An Internship experience is a vitally important tool for helping to determine the course of your career. As a Jacobsen Landscape intern, you will be provided a comprehensive overview of all aspects of the green industry, much of which cannot be found in the classroom. Our Internships provide opportunities for students to gain practical hands on knowledge and experience by rotating through each of our departments: Design, Construction, Maintenance, Irrigation / Lighting, and Administration, while earning an income to offset tuition and other college expenses. We also provide subsidized housing.

Careers

As a premier landscape design firm, we aim to attract and retain the most talented individuals who are dedicated to our mission of providing exceptional services to our clients. Our unique Company Culture helps our people reach their personal and professional goals through career development programs, specialized training, continuing education programs and opportunities for advancement. We promote and support our employees in their efforts to attain the highest industry designations in their specialization. In addition, Jacobsen offers a comprehensive benefits program.
